WELCOME MESSAGE

Dear Colleagues and Friends,

On behalf of the Joint meeting of Tri-Head and Neck Society, it is a great honor and pleasure to invite you to the "1st Joint meeting of Tri-Head and Neck Society 2022 in conjunction with the 23rd Korean Society of Head and Neck Surgery Autumn Conference" which will be held in Seoul, Korea on September 22 ~24, 2022. Considering the current situation of COVID-19, it is unclear whether the on-site meeting will be possible in September 2022, and it is also difficult to anticipate whether entry restrictions into Korea for overseas participants will be lifted or eased by then. Therefore, after much deliberation, the organizing committee has decided to hold the conference as both an offline and online conference. Even though the conference is to be carried out in a hybrid format, we believe that the Joint meeting of Tri-Head and Neck Society 2022 will once again provide a great opportunity to discuss recent progress in many aspects of the Head and Neck Surgery, integrating both clinical and basic research. With the aim to provide quality care beyond borders, various programs have been prepared including Keynote Lectures, Symposia, and Panel Discussions covering the latest advancements, experiences, and updates on current knowledge, and lively discussions on the future of Head and Neck Surgery.

Lastly, we are confident that your participation will result in tremendous learning and demonstrate the core value of friendship and networking opportunities. We expect that Joint meeting of Tri-Head and Neck Society 2022 will also serve to encourage international cooperation between members of Japan, Korea, Taiwan, and all participants in solidifying friendship as well as professional collaborations in the difficult and challenging times we are going through. We want to thank all the members of Japan Society of Head and Neck Surgery (JSHNS), Korean Society of Head and Neck Surgery (KSHNS), and Taiwan Head and Neck Surgery (THNS) for their contributions which will be the foundation of this conference. Importantly, we want to extend special recognition to many conference sponsors for their generous support.

We look forward to welcoming you to Lotte Hotel World, Seoul, Korea, and hope to see you face-to-face if circumstances permit, but if not, we will be looking forward to seeing you virtually in September 2022. We hope you will join us to make the Joint meeting of Tri-Head and Neck Society 2022 a grand success!

Respectfully yours,

Soon Young Kwon

Chairman, Organization Committee, 1st Joint meeting of Tri-Head and Neck Society 2022
